**The Chocolatier** Jan Moran 2020-01-28 A young widow. A husband she thought she knew. Will a chocolatier's secret destroy the family left behind? "A solid pick for fans of historical romances combined with a heartbreaking mystery." – Library Journal San Francisco, 1953: Heartbroken over the mysterious death of her husband, Celina

Savoia, a second-generation chocolatière, resolves to take their young son to Italy's shimmering Amalfi coast to introduce him to his father's family. Just as she embarks on a magical, romantic life of making chocolate by the sea surrounded by a loving family, she begins to suspect that her husband had a dark secret—forged in the final days of WWII—that

could destroy the relationships she's come to cherish. While a second chance at love is tempting, the mystery of her husband's true identity thwarts her efforts. Challenged to pursue the truth or lose the life she's come to love, Celina and her late husband's brother, Lauro, must trace the past to a remote, Peruvian cocoa region to face the deceit that threatens to shatter their lives. In *The Chocolatier*, Jan Moran, an international bestselling author of the contemporary Summer Beach series, and the historical novels *The Winemakers* and *Scent of Triumph* from St. Martin's Press, offers a

testament to the power of forgiveness and the resilience of love, along with insights into the world of chocolate-making. *The Chocolatier* is also available in audiobook. For readers of Danielle Steel, Renee Rosen, Susan Meissner, Barbara Taylor Bradford, Chanel Cleeton, and Gill Paul. "A novel that gives fans of romantic sagas a compelling voice to follow." – Booklist "Jan Moran is the new queen of the epic romance." – USA Today Bestselling Author Rebecca Forster Excerpt: One chocolate truffle had changed her destiny. Indeed, it was one of Celina's best—a silky cocoa powder-dusted truffle filled with

raspberry-infused, dark chocolate ganache and enrobed with a couverture, a layer of rich chocolate that melted optimally with the warmth of the body. After she had offered one to a weary, dark-haired soldier who had just returned from the European front, he introduced himself as Tony Savoia, an Italian immigrant whose family had owned and operated Cioccolata Savoia before war rationing had made sugar difficult to obtain. And so the journey begins...give yourself the gift of The Chocolatier now.

*At Home on the Water* Jaci Conry 2022-05-10

"The idea of a retreat—a place removed from one's daily stressors, an escape in a serene natural setting, a secluded haven to be enjoyed by family, is more appealing than it has been in decades. Though second homes are far from a novel concept; retreats have been built by families since the late 1800s, when the well-to-do began to build reprieves in coastal areas to escape the combustive atmosphere of city life. Over time, homes on the water have been coveted and cherished for their particular

restorative qualities. In an oceanside house, one can't help but stop to pause and contemplate the view. After absorbing the essence of the sea, one can't help but feel a little lighter, a bit brighter, and more in tune with nature. *At Home on the Water* will offer some history on coastal living and will feature twelve homes on the water on both coasts and the gulf. The editorial would focus on both the design of the homes and the way the homeowners live in them, embellished by interviews with homeowners, designers, and/or architects"--

*The Sound of Glass* Karen White 2015-05-12 The

New York Times bestselling author of the Tradd Street novels explores a Southern family's buried history, which will change the life of the woman who unearths it, secret by shattering secret. Two years after the death of her husband, Merritt Heyward receives unexpected news—Cal's family home in Beaufort, South Carolina, bequeathed by his reclusive grandmother, now belongs to Merritt. In Beaufort, the secrets of Cal's unspoken-of past reside among the pluff mud and jasmine of the ancestral Heyward home on the Bluff. This unknown legacy, now Merritt's, will change and define her as she navigates her new life—a life

complicated by the arrival of her too young stepmother and ten-year-old half brother. Soon, in this house of strangers, Merritt is forced into unraveling the Heyward family past as she faces her own fears and finds the healing she needs in the salt air of the Lowcountry.

*German Submachine Guns, 1918-1945* Luc Guillou 2018-04-28 Germany's World War I- and World War II-era submachine guns are all featured in this fully illustrated book. Early Bergmann models are presented first showing their development from the MP18, through to the MP35, followed by discussions of the Schmeisser

MP28, Steyr MP34, and Erma "EMP." An extensive chapter on the famous MP38/40 features a close look at production numbers, manufacturers, and markings. Foreign and late-war models are also presented, showing the wide variety of SMGs used by the Wehrmacht during WWII. The book concludes with the legendary and influential MKb42, MP43/1, MP44, and StG44 series of assault rifles. Their wartime use is shown in superb period photography and clear, up-close color images. Accessories such as magazines, ammunition, pouches, and silencers are featured throughout the book, as well as

rarely seen WWI- and WWII-related uniform and equipment items.

While Nick has never questioned what kind of man he is or what he truly wants in life, working for Damian during a BDSM photo shoot opens his

eyes to all sorts of sexual possibilities, and many of them include the handsome Mr. Wolfe. [She Writes for Him: Black Voices of Wisdom](#)

Cynthia Cavanaugh In these turbulent times when the ugly stain of racism is at the forefront of our

society, bringing rampant division and mistrust, we desperately need ways to come together. To build bridges of understanding between all in the body of Christ, we bring you twenty-one voices of Black Christian women, authors, ministers, educators, leaders, and mothers. Their powerful life experiences and heartfelt wisdom will shake you, open your eyes, and help you understand your sisters in Christ. From the ways women of color are treated in our society, to raising Black daughters and sons, to how a Black woman can have a white supremacist attitude, to how to respond as Christ would have us, their stories will

be a link in bridging the gap between us with love. As a Christian, my response to all the tension, the polarization, and toxic environments currently unfolding in America is to consistently ask the Lord, “How can I best represent you?” . . . Change starts with you and includes repentance, listening, being willing to move out of your comfort zone, and having empathy for someone who doesn’t look like you. —Mercy Lokulutu May this powerful volume be a part of the bridge of love and understanding we need to walk across with our sisters.

*Four Dervishes* Hammad Rind 2021-10-01

"...arrives like the brightest comet, a dazzling work of art full of invention, playfulness and Chaucerian tale-telling, by fakirs in a far-off cemetery. Their ornate stories are full of Mughals and caliphs, old kings and city black-outs. This heady, compelling fusion of cultures – East meeting West – complete with social satire is a remarkable debut. Easily the most remarkable work of fiction to come out of Wales in a thousand moons." – Jon Gower "Four Dervishes is a fascinating adaptation of a medieval classic spun into a satirical and magical realist novel about our times." – Tabish Khair One monsoon

night, a power cut forces a man full of disappointments on to the streets of the town. Sheltering in a cemetery he comes across four others – a grave digger, an aristocrat, an honourable criminal and a messiah – each with a past, and with a story to tell. Crimes have been committed, dark family secrets revealed, fortunes rise and fall, the varieties of love are explored, and new selves are discovered in a rich round of storytelling. And as the Disappointed Man discovers, a new story is about to begin... Four Dervishes draws on a long tradition of storytelling as it skewers issues like religious bigotry,

injustice, the denial of women's rights, and class division. Lavishly inventive, verbally rich, an exotic confection, this novel is both darkly thematic and humorously playful.
