The Mood Guide to Fabric and Fashion Mood Designer Fabrics 2015-09-01 “Designers, we’re going to Mood!” More than 10 years ago, Tim Gunn and Project Runway introduced millions of viewers to New York’s ultimate fabric mecca, Mood Fabrics. Now, the experts behind this fabric power- house bring their fabric and fashion know-how—plus their behind-the-scenes stories—to the sewing public. The Mood Guide to Fabric and Fashion is the ultimate guide for home-sewers, fashion students, aspiring designers, and Project Runway fans who want to learn everything they need to know to choose and use quality fabric. Drawing upon the expertise of the Mood staff, the book teaches readers the fundamentals—from where fabric is produced to the ins and outs of its construction—and features a fabric-by-fabric guide to cottons and other plant fibers, wools, silks, knits, and other specialty fabrics.

Curly Girl Lorraine Massey 2011-01-13 Celebrate the beauty of curls in a buoyant how-to, manifesto, and curly girl support group all in one. Say no to shampoo, unplug the dryer, and kiss frizz and bad hair days good-bye.

Curly Girl is the surprising bible for those with naturally curly or wavy hair and a desire to celebrate it, from Lorraine Massey, owner of the Devachan salons and products. It’s all here: Daily routines for corkscrew, Botticelli, fractal, and wavy curls. Homemade lotions and potions for locking in moisture. Expert tips on caring for African American hair. Fabulous dos for weddings and special occasions. How to trim your hair yourself, step-by-step. (Remember: It’s not what you take off; it’s what you leave on.) Recommendations for chemical-free products. And so much more: the care, the styling, the products, the remedies, the empowering, pro-curl attitude. Includes: Ten things to do before you dye You are what you eat—and so are your curls Getting kids to love their curls Curly guys Lorraine’s 12-step recovery program And check out Lorraine’s video tutorials on YouTube.

including new tips and more than three hundred color photographs.

Faux Real Robert Kanigel 2011-06-06 What makes genuine leather genuine? What makes real things real? In an age of virtual reality, veneers, synthetics, plastics, fakes, and knockoffs, it's hard to know. Over the centuries, men and women have devoted enormous energy to making fake things seem real. As early as the fourteenth century, fabric was treated with special oils to make it resemble leather. In the 1870s came Leatherette, a new bookbinding material. The twentieth century gave us Fabrikoid, Naugahyde, Corfam, and Ultrasuede. Each claims to transcend leather's limitations, to do better than nature itself—or at least to convince consumers that it does. Perhaps more than any other natural material, leather stands for the authentic and the genuine. Its animal roots etched in its pores and in the swirls of its grain, leather serves as cultural shorthand for the virtues of the real over the synthetic, the original over the copy, the luxurious over the shoddy and second-rate. From formica, vinyl siding, and particle board to cubic zirconium, knockoff designer bags, and genetically altered foods, inspired fakes of every description fly the polyester pennant of a brave new man-made world. Each represents a journey of scientific, technical, and entrepreneurial innovation. Faux Real explores this borderland of the almost-real, the ersatz, and the fake, illuminating a centuries-old culture war between the authentic and the imitative.

Offside Trap A.J. Stewart 2013-12-16 College Sports Can Be Murder A university president with delusions of grandeur. A property developer with mob ties. A crooked politician fast-tracking projects for cash. Just another day in South Florida. When Miami Jones is hired by an old college friend to investigate the drug overdose of a star student-athlete, he is thrust into the dark intersection of academia, politics and the Miami drug world, where he finds himself fighting to not just solve the crime, but to save those he loves most. A USA Today Bestselling Series Series praise: "...strong, unsteriotyped, and engaging..." Kirkus Reviews "a well-balanced mix of intrigue, dry humor, and wit..." Manhattan Book Review "Robert B. Parker meets Carl Hiaassen." - Bookbub "Stiff Arm Steal is a rollicking good read." - San Francisco Book Review

The Atlas of Disappearing Places Christina Conklin 2021-07-20 A beautiful and engaging guide to global warming’s impacts around the world “The direction in which our planet is headed isn't a good one, and most of us don't know how to change it. The bad news is that we will experience great loss. The good news is that we already have what we need to build a better future.” —from the introduction Our planet is in peril. Seas are rising, oceans are acidifying, ice is melting, coasts are flooding, species are dying, and communities are faltering. Despite these dire circumstances, most of us don’t have a clear sense of how the interconnected crises in our ocean are affecting the climate system, food webs, coastal cities, and biodiversity, and which solutions can help us co-create a better future. Through a rich combination of place-based storytelling, clear explanations of climate science and policy, and beautifully rendered maps that use a unique ink-on-dried-seaweed technique, *The Atlas of Disappearing Places* depicts twenty locations across the globe, from Shanghai and Antarctica to Houston and the Cook Islands. The authors describe four climate change impacts—changing chemistry, warming waters, strengthening storms, and rising seas—using the metaphor of the ocean as a body to draw parallels between natural systems and human systems. Each chapter paints a portrait of an existential threat in a particular place, detailing what will be lost if we do not take bold action now. Weaving together contemporary stories and speculative “future histories” for each place, this work considers both the serious consequences if we continue to pursue business as usual, and what we can do—*from government policies to grassroots activism*—to write a different, more hopeful story. A beautiful work of art and an indispensable resource to learn more about the devastating consequences of the climate crisis—as well as possibilities for individual and collective action—*The Atlas of Disappearing Places* will engage and inspire readers on the most pressing issue of our time. Locations include: Houston, Texas Shanghai, China Hamburg, Germany San Juan, Puerto Rico New York City, New York Pisco, Peru Kisite, Kenya Kure Atoll, Hawaii Camden, Maine The Cook Islands San Francisco, California Norfolk, Virginia Bén Tre, Vietnam Ise, Japan Gravesend, United Kingdom

Gene Therapy for Diseases of the Lung Kenneth Brigham 1997-04-10 This up-to-the-minute and comprehensive resource lucidly covers gene therapy for lung diseases from existing technologies delivering foreign DNA to the lungs via the airways or circulation to promising new approaches for the further development of safe and efficient gene delivery systems.

World Clothing and Fashion Mary Ellen Snodgrass 2015-03-17 Taking a global, multicultural, social, and economic perspective, this work explores the diverse and colourful history of human attire. From prehistoric times to the age of globalization, articles cover the evolution of clothing utility, style, production, and commerce, including accessories (shoes, hats, gloves, handbags, and jewellery) for men, women, and children. Dress for different climates, occupations, recreational activities, religious observances, rites of passages, and other human needs and purposes - from hunting and warfare to sports and space exploration - are examined in depth and detail. Fashion and design trends in diverse historical periods, regions and countries, and social and ethnic groups constitute a major area of coverage, as does the evolution of materials (from animal fur to textiles to synthetic fabrics) and production methods (from sewing and weaving to industrial manufacturing and computer-aided design). Dress as a reflection of social status, intellectual and artistic trends, economic conditions, cultural exchange, and modern media marketing are recurring themes. Influential figures and institutions in fashion design, industry and manufacturing, retail sales, production technologies, and related fields are also covered.

Fortune Henry Robinson Luce 2005-11

Clean My Space Melissa Maker 2017-03-07 The wildly popular YouTube star behind CLEAN MY SPACE presents the breakthrough solution to cleaning better with less effort Melissa Maker is beloved by fans all over the world for her completely re-engineered approach to cleaning. As the dynamic new authority on home and living, Melissa knows that to invest any of our precious time in cleaning, we need to see big, long-lasting results. So, she developed her method to help us get the most out of our effort and keep our homes fresh and welcoming every day. In her long-awaited debut book, she shares her revolutionary 3-step solution: • Identify the most important areas (MIAs) in your home that need attention • Select the proper products, tools, and techniques (PTT) for the job • Implement these new cleaning routines so that they stick Clean My Space takes the chore out of cleaning with Melissa’s incredible tips and cleaning hacks (the power of pretreating!), her lightning fast 5-10 minute “express clean” routines for every room when time is tightest, and her techniques for cleaning even the most daunting places and spaces. And a big bonus: Melissa gives guidance on the best non-toxic, eco-conscious cleaning products and offers natural cleaning solution recipes you can make at home using essential oils to soothe and refresh. With Melissa’s simple, groundbreaking method you can truly live in a cleaner, more cheerful, and calming home all the time.

The Vintage Ford 2004

Advanced Fiber Spinning Technology T. Nakajima 1994-01-15 Some of the most interesting developments of the last few decades in the field of fiber production have been the result of intensive study in Japanese industry and research institutes. This book was originally published in Japanese by the Society of Fiber Science and Technology, Japan, in order to present a thorough scientific and technological review of advances in fiber production,

to horror: the mice of Saint Petersburg will never come to see such a production. Meanwhile, nine-year-old Irina is convinced that the mice she’s seen in the Mariinsky — the mice her father, the custodian, is supposed to exterminate — are not only fans of the ballet, but dancers themselves. No one will believe her, so it falls to Irina to help save the mice everyone else considers vermin . . . and perhaps to help Esmeralda ensure the future of the mouse company. Sweet and inventive, Kristin Kladstrup’s ballet fantasy features artwork by beloved illustrator Brett Helquist, old-fashioned drama, and just a touch of holiday magic.

iPod and iTunes Hacks Hadley Stern 2004-10-13 Some people are content to use their iPod simply to play music. Some people want to do much more. Those people, and you know who you are,aren't satisfied until they get under the hood and tap every iPod trick available to them.They want to explore and experiment, create shortcuts, and unearth cool and unexpected things to do with their iPod that have never even occurred to their friends. Maybe they want to use their iPod to read email. Maybe they want to use it as a voice recorder, or a device to store their digital photos. Maybe they want to use iTunes visuals as a screensaver, use Java to expand iTunes functionally, or use a cheap Linux box as a server and access MP3 tunes. Or, maybe they just want to paint their iPod a custom color. For those people who want to get more much more out of their iPod iPod and iTunes Hacks is brimming with undocumented tips, tricks, and trade secrets for getting the very most from your iPod.This guide takes curious and clever iPod owners beyond the obvious with 100 ingenious hacks that will delight, entertain, and add astonishing power to the iPod and iTunes experience.

Backpacker 2004-03 Backpacker brings the outdoors straight to the reader's doorstep, inspiring and enabling them to go more places and enjoy nature more often. The authority on active adventure, Backpacker is the world's first GPS-enabled magazine, and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. Backpacker's Editors' Choice Awards, an industry honor recognizing design, feature and product innovation, has become the gold standard against which all other outdoor-industry awards are measured.

Drink Pink Victoria James 2017-05-02 Combining delightful stories with whimsical and clever illustrations, Drink Pink is a clever, captivating, and unpretentious look at rosé for novices and connoisseurs alike. For years, rosé has lived a quiet life as the not-red and not-white wine, but in the last five years this vintage has taken its rightful place in the spotlight. Use this book as a guide to rosé’s myriad of pleasures. Comprehensive and complete with both esoteric knowledge and entirely practical cocktails and dinner party recipes, this is the perfect book give your girlfriend or keep to display for yourself! Part 1: Rosé Is Old School - Learn about the three-thousand-year history of rosé, and see exactly why it took so long for this wine to saturate American culture. Part 2: Producing Pink Juice - Discover the crafting methods that set rosé apart from other wines, and get a crash course in the significance of saignée, skin contact, blending, and more! Part 3: People and Places - Study the different producers of rosé and start talking like a true sommelier. Part 4: Why and How to Drink Pink - hear professional foodies and wine experts sing praises about pink wine, and - Part 5: Recipes - Enjoy a myriad of rosé-related recipes. Here, the options are endless! Cocktail recipes starring rosé; appetizer, entrée, and side dishes that include or pair well with rosé; classy desserts and the best types of rosé to accent them. There’s no better way to get in the pink than with Drink Pink!

How to Wash the Dishes Peter Miller 2020-03-03 Find order and beauty in the kitchen with this delightfully elegant primer on washing the dishes that elevates and illuminates a seemingly routine chore. Washing the dishes is an ordinary, everyday task—but with examination and care, it can become much more. In this reverent guide to the household chore, Peter Miller shows us how washing dishes can become a joy, a delight, a meditative exercise, and an act of grace and rhythm. We pay so much attention to recipes but little attention to maintenance and cleanup. Washing the dishes is as much a part of making a meal as prepping the vegetables, making the sauces, or seasoning the meats. At times it is quite routine, sometimes raucous, other times complex. It is never convenient. Despite its din and clatter, and despite its reputation, washing the dishes is the coda to the meal. It is a bustling musical of water and soap, of flow and surface, and done well, the fragile shall sit as proudly as the cast-iron. There are some who do the dishes for the clarity and privacy of it, and there are some who relish the quiet isolation of putting things in order where they belong. There are some who feel the time and movement is a kind of digestive. In the evening in particular, there is a silence when it is all done. How to Wash the Dishes brings elegance, art, and a bit of mindfulness to the sink. It is the perfect gift for those who love to clean and equally as apt for those we wish would clean a bit more.

The Home Answer Book Joanna Wissinger 1995 Provides information and advice on every aspect of domestic life, including renting, buying and selling a home, decorating, cleaning, health, and more.

Textile Technology Digest 2001

Music Is My Therapy Jennifer Pope 2020-09-21 This book will utilize one of the greatest artistic phenomena as a coping and healing tool in your powerful journey to mental wellness. You will explore the melodic meanings of some of the best music of our time while applying their themes of love, empowerment, sadness, reflection, anger, and hope into your plan to improve your life. Music has the ability to motivate you to achieve your goals, soothe your greatest moments of sadness, calm your heightening moments of anger, celebrate your greatest achievements, and open your mind to healing and rejuvenation. Music can also evoke powerful emotions; it can fuel our anger, make us laugh, provide comfort in distress, and sometimes be so beautiful that it makes us cry. Music is the auditory bookmark of our lives. Every milestone in your life can probably be noted by a particular song. Rhythm-based listening therapy can have profound effects on the brain, helping to activate and create new neural pathways, thus improving brain functioning. This can be especially useful in people struggling with depression, trauma, and anxiety. Music is one of those amazing things of our world that transcends time, cultures, religions, and age. It allows you to identify feelings, put words to those feelings, give a beat, tone, pitch, rhythm, or melody

to allow your soul to transform an introspective emotion into sound. In its many different forms, music has the ability to pierce the soul, touch the heart, and open the mind to many aspects of life. This book will explore the genres of R&B, jazz, country western, classical, hip hop, rock, pop, trap, instrumental, and gospel to aid in identifying emotions, application of coping skills, and facilitate journaling your healing experience. Music gives the human existence a colorful guide of its highs, lows, and the beautiful experience of living life as only you can. Music is special. Music is powerful. Let it guide you on your wellness journey starting NOW....

Miami Jones Toes in the Sand Collection, Books 1-4 A.J. Stewart 2015-04-23 The first four novels in the USA Today Bestselling series reviews are calling "A five-star romp by one of the best mystery writers around." This omnibus edition contains the first FOUR books in the Miami Jones series, with over 1200 pages of fun, mystery, and a good dose of Florida sun. Meet MIAMI JONES. New England transplant, private investigator, and lover of palm tree print shirts. Join Miami and his band of friends and associates as their quiet drinks under the palapa at their local Florida bar are interrupted by cases that only the Miami Jones can solve. Stiff Arm Steal The prize possession of former football hero, part-time media personality and full-time blowhard BJ Baker has been stolen from his palatial Palm Beach home. Baker has called in the Mayor, the police, the sheriff and everyone else he can co-opt into the search. But if he really wants the person who can find it, one name keeps coming up. Miami Jones. Problem is, he can't stand Jones. And the feeling is mutual. Miami takes on a jealous husband, a feisty ex-con and a police detective desperate to claim everyone else's 15 minutes of fame, and he finds that Florida is home to so many retired athletes he could start a pensioner football league. But can Miami hunt down the culprit before they graduate from theft to something far more deadly? Offside Trap A university president with delusions of grandeur. A property developer with mob ties. A crooked politician fast-tracking projects for cash. Just another day in South Florida. When Miami Jones is hired by an old college friend to investigate the drug overdose of a star student-athlete, he is thrust into the dark intersection of academia, politics and the Miami drug world, where he finds himself fighting to not just solve the crime, but to save those he loves most. High Lie Miami Jones knows that South Florida has its fair share of sharks, and not all of them live in the ocean. When a young boy is dumped in the water off the coast, Miami goes looking for answers. What he finds is a world of crooked bookmakers, slick Las Vegas Casino moguls and a desperate band of brothers playing a forgotten sport. Forgotten by everyone except the person who wants the players dead. Miami takes Florida sliding down a sinkhole rather personally, so now he'll stop at nothing to prevent the circling sharks from consuming his beloved home. Dead Fast To most people Jamaica is sun, sea and rum drinks by the pool. But Miami Jones and Danielle Castle don't vacation like most people. After witnessing an assault on a young man in Montego Bay, Miami and Danielle are hired to protect a young athlete with Olympic dreams. But there are lots of athletes with those dreams, and not all of them play by the rules. Miami and Danielle find themselves up against corrupt officials, athlete managers with a kit-bag full of dirty tricks, and a local police force that might be in it up to their necks. In a paradise where running fast is the national pastime, Miami and Danielle must go at full throttle to protect their client and help him hit the finish line alive. First four books in the humorous mystery series. Intrigue on the beaches of Florida and on the islands of Caribbean. Fun for lovers of private investigators. Series praise: "...strong, unstererotyped, and engaging..." Kirkus Reviews "a well-balanced mix of intrigue, dry humor, and wit..." Manhattan Book Review "Robert B. Parker meets Carl Hiaasen." - Bookbub "Stiff Arm Steal is a rollicking good read." - San Francisco Book Review

The Ultimate SPAM Cookbook The Hormel Kitchen 2020-08-18 The Ultimate SPAM® Cookbook is here, featuring over 100 elevated recipes for breakfast, appetizers, main courses, and snacks, all starring this key ingredient.

The Hometown Leena Ceraveeni 2011-04-20 Mala Thomas, a 23-year-old Indian American, wants a big, multicultural city to escape her dead-end job and racial experiences in Indiana. She packs up her Acura Vigor and makes an impulsive move to Houston, Texas. In Houston, she doesnt get questioned about being Indian. The South is very different from the Midwest and Mala cant take the word yall seriously. On her career path, she lands a job in the energy industry and falls for work-obsessed Cyril, a Creole who works in her office building. The death of the sister she cant remember, her love for 80s rock, and her past racial experiences follow her everywhere she goes. "What would happen if you were a discontented, twentysomething Indian-American girl, living in a boring Midwestern city and working a dead-end job, still a virgin, living at home with parents you think should divorce, and suddenly decide to pack up and move to Houston, Texas? Read The Hometown and find out! Along the way you'll be entertained and enlightened by this smart and witty coming-of-age novel that gets to the heart of 'growing up multicultural' and making your way as a minority woman in America today." - Jim Barnes, Editor, IndependentPublisher.com "Finding a new home can lead to many unusual situations. "The Hometown" is a novel following Mala Thomas as she embraces a new spin of life in Houston, Texas and facing life as an Indian-American in the south. A story of career life and finding love, "The Hometown" is worth considering for general fiction collections." - Midwest Book Review "Author Leena Ceraveenis debut novel, The Hometown, examines the journey of a 23-year-old Indian American woman and her search for love, success, and something beyond the ordinary. The novel provides a witty and colorful illustration of what its like for an Indian American woman to beat the odds and embrace the unexpected." - India West 2011 London Book Festival Runner-Up, General Fiction 2011 DIY Book Festival Runner-Up, General Fiction
